Remarks: Bob: One thing I thought we should at least try to get is some understanding, agreement, or arrangement which would insure, at least in principle, that the purposes for which we have been funding would be continued. I notice that the request for surge funding of 22 June quotes The 303 Committee as approving the CIA proposal for support with the intent to pull out entirely by 30 June 1969. It seems to me this would include some sort of supervision or reporting of the use of funds through that time. Let's meet on this Monday, 24 July.
